GETTING BETTER EVERY DAY

Friends of the YMCA of Springfield call it their second home. We call them our family. The hundreds of people who join us here and support our cause are our greatest resource when it comes to providing experiences for youth development and skills for healthy living, which promote social responsibility for all.

The Strong Kids Scholarship Fund has an invaluable impact on families by offering scholarship memberships and programming to underprivileged youth and their families.

Our community faces new challenges every day that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our volunteers and staff to make a difference for our members.

Last year we served 17,075 youth at the YMCA. We provided 3,089 youth and family scholarship memberships and 315 summer camp weeks to underprivileged youth ages 5-14. We also provided bowling & swim lessons for an additional 380 participants who are physically or mentally disadvantaged. We do this amazing work with your generosity and support.

OPEN UP YOUR HEART

When you **give** to the YMCA of Springfield, you create a healthy mind, spirit, and body for all. Through youth development, healthy living, and social responsibility, we are transforming our community. Give today for a better us.

When you donate to the YMCA of Springfield, you make our community better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of adults who care about them and believe in their potential. We see every interaction with young people as an opportunity for learning and development.

Social Responsibility

At the YMCA, we work every day to connect people from all backgrounds and support those who need us most. We take on the most urgent needs in our communities and inspire a spirit of service in return. Our participants, volunteers, donors, and staff demonstrate the power of what we can achieve by giving back together.

Healthy Living

Health and well-being are all about balance. That's why we help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all backgrounds improve their health and well-being, we build a stronger community.

We have an extraordinary opportunity to ensure a brighter future for children in Springfield with your support of our Strong Kids Scholarship Fund. When you give to the YMCA, your gift helps build healthy, confident, connected and secure children. We believe every child has the power to make their life and our community better with positive role models and an active lifestyle.
