SPRINGFIELD YMCA FINANCIAL ASSISTANCE APPLICATION

Reduced membership rates will be determined by household income and the eligible family size. A sliding scale is used to determine monthly membership fees for adults and a small annual membership fee for the children. Once membership is activated, members will receive additional discounts off swim lessons, gymnastics, youth sports, arts and humanities. Ask us about summer camp and childcare funding options.

- Because funding is determined by household income and family size, all eligible household members must be included on the application.
- Family includes one or two adults residing in the same household plus dependent children less than 18 years of age and full-time college students through age 23.

EVERYONE MUST PROVIDE

- \$15 joiner fee
- Current year's Federal Income Tax return
- If you are not required to file Income taxes, please state why and include documentation
- PHOTO COPIES, blackout all Social Security numbers. We shred all documents.
