SNAP is a specialized swim lesson program opportunity for individuals with Down Syndrome, Cerebral Palsy, and other special needs. The YMCA reserves the right to request additional documentation and/or medical clearance to participate. Depending on the clients needs and comfort level, we encourage them to progress in swimming either by working toward regular group lessons or Special Olympics participation. Sessions will run in conjunction with the YMCA program session calendar.

**SNAP Small Group Lessons**
SNAP small group lessons are held at our downtown facility Tuesdays, Thursdays and Saturdays and are $20 a session. This low cost is brought to you by the YMCA Strong Kids Scholarship Fund and generous donors. Classes can have up to two participants. This class is perfect for those looking to work on socialization.

**SNAP Private Lessons**
If none of the available small group lesson times work with your schedule, you can always purchase a package of lessons at a reduced cost to be scheduled at a time agreeable to you and the YMCA at either branch location.

**SNAP Competitive**
SNAP competitive meets on Tuesday and Thursday afternoons and will prepare the swimmer for the Special Olympics. A swimmer can progress to the competitive level at the recommendation of their instructor.

**Group Lessons**
The goal of SNAP Lessons is to acclimate the swimmer into regular group lessons. There, they will have an opportunity to integrate themselves socially and learn new skills with other participants.
