YMCA SUMMER CAMP 2019 Junior Counselor Application

Applications must be filled out by applicant.

All Junior Counselors (JuCo) must be 13-15 years old. There are ten weeks of camp this summer, starting June 3rd and continuing through August 9th. A minimum of three weeks of participation is required for all JuCo. Please make sure to mark your location preference as well as provide your availability for this summer.

The JuCo Program is for teenagers, who work well with kids, have a positive attitude, and possess leadership skills. This program is designed to train teenagers to become camp counselors. The expectations of a JuCo are that they are responsible for helping provide a quality camp experience while role modeling the YMCA values of Caring, Honesty, Respect, and Responsibility.

The JuCo Program requires an application, interview, and \$50 registration fee. There are openings at all full day sites. Applicants should expect a response during the second week of May. Once accepted, a JuCo will undergo the same training as our camp counselors and attend camp free of charge.
