ADULT BADMINTON CLUB

A racquet sport played by either two opposing players or two opposing pairs. Players take positions on opposite halves of a rectangular court divided by a net. Points are scored by striking the shuttlecock with the racquet and landing it within the opposing side's half of the court. Each side may only strike the shuttle once before it passes over the net. The objective of the game is to prevent the shuttle from touching the ground. Badminton is great exercise and a great way to meet new people and have fun!

Badminton 2020 Session 2

League is great for beginners and seasoned players.

Sundays, March 15–May 17
