

YMCA OF SPRINGFIELD 2022 COMMUNITY BENEFIT REPORT

"We're Here For Good"

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

CEO MESSAGE

Our organization has proudly served the Springfield community for over 150 years. You can take pride in the fact that your donated dollars stay in Springfield to support your neighbors and friends. The Y is a unique nonprofit that offers subsidies to those in need, ensuring that our programs and services are available to all. In 2022, our Y provided over \$400,000 in reduced membership and program fees to community members.

The generosity of others is at the core of our existence. It is only through the support of our numerous volunteers and donors that we are able to give back to those we serve. When you give to the YMCA, you help strengthen our community and move us all forward. As one of the nation's leading nonprofits with a focus on youth development, healthy living and social responsibility, the Y works to nurture the potential of children and teens. Improve the community's health and well-being and support our neighbors.

Thank you to the many who believe in our mission.

YOUTH DEVELOPMENT

Nurture the potential of every child

- Improve access to and quality of child care and enrichment programming.
- Implement programs and processes to improve the student achievement gap, summer learning loss, and education quality.
- Increase access to water safety instruction to provide the life skill of swimming and prevent drowning.

HEALTHY LIVING

Improve communities' well-being

- Provide programs that expand healthy living and address the physical, mental and emotional well-being of individuals and communities.
- Expand access to healthy foods especially in food insecure communities.
- Ensure access to programs, services, and resources that support overall health and well-being, particularly for underresourced individuals and families.

SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors

- Remain strong, effective and responsive to the needs of the Springfield community.
- Ensure access to and equality within YMCA programs for all.
