

## YOU PLAY, THEY PLAY...

and learn and grow and become better than they ever thought possible.

Join us for a great day of golf benefiting the Springfield YMCA's Strong Kids. This year's golf outing will be held at the beautiful Piper Glen Golf Course on Thursday, September 18, 2025.

The Strong Kids fund supports children and families by providing financial assistance, program subsidies, and community outreach. This event has helped fund programs and program scholarships for families and children in the Springfield area for the last 24 years. All money raised stays right here in our community to improve the lives of our children and families. It allows them to participate in many programs such as swim lessons, soccer, flag football, gymnastics, art classes, and so much more.

This golf tournament is supported generously by businesses and individuals who believe in the mission of the YMCA. Through your participation, you are helping to build strong kids, strong families, and a strong community. Join us for a great cause and have some great fun!
